## Independent Auditor's Report

---

**To the Members of  
Human Concern International**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Human Concern International, which comprise the statements of financial position as at March 31, 2016, and the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our qualified audit opinion.

## Independent Auditor's Report (continued)

---

### Basis for Qualified Opinion

In common with many charitable organizations, the organization derives revenue from donations and fundraising the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization. Our audit opinion on the financial statements for the year ended March 31, 2015 was also qualified because of the possible effects of this limitation in scope. Therefore we were not able to determine whether any adjustments might be necessary to donations and fundraising revenues, excess of revenue over expenses for the years ended March 31, 2016 and 2015, assets as at March 31, 2016 and 2015, and net assets at both the beginning and end of the March 31, 2016 and 2015 years.

### Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph, the financial statements present fairly, in all material respects, the financial position of Human Concern International as at March 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Report on Other Legal and Regulatory Requirements**

As required by the Canada Corporations Act, we report that, in our opinion, Canadian generally accepted accounting principles have been applied on a basis consistent with the previous year.

# Human Concern International

## Summary of Significant Accounting Policies

March 31, 2016

---

<b>Nature of Business</b>	<p>Human Concern International is an international humanitarian organization raising and distributing funds to help relief victims in third-world countries. The organization is incorporated under the Canada Corporations Act as a not-for-profit organization, is a registered charity and is exempt from income taxes under the Income Tax Act.</p> <p>These financial statements includes the operations of affiliate offices in Pakistan and Afghanistan.</p> <p>There are separately incorporated not-for-profit entities in East Africa and Lebanon that operate under the name "Human Concern International". The corporation uses these entities as agents and project managers for donations disbursed. These financial statements do not include the assets, liabilities, net assets, revenue and expenses of these foreign entities.</p>
<b>Basis of Presentation</b>	<p>These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and are in accordance with Canadian generally accepted accounting principles.</p>
<b>Use of Estimates</b>	<p>The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The organization's estimates relate to provision for doubtful receivables and estimated useful life of tangible capital assets. Actual results could differ from management's best estimates as additional information becomes available in the future.</p>
<b>Financial Instruments</b>	<p>Financial instruments are financial assets or liabilities of the organization where, in general, the organization has the right to receive cash or another financial asset from another party or the organization has the obligation to pay another party cash or other financial assets.</p> <p><u>Measurement of financial instruments</u></p> <p>The organization initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions which are measured at the exchange amount.</p> <p>The organization subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in operations.</p> <p>Financial assets and financial liabilities measured at amortized cost include cash, investments not traded in an active market, accounts receivable, accounts payable and accrued liabilities.</p>

**Financial Instruments**  
(continued)

Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in operations.

Transaction costs

The organization recognizes its transaction costs in operations in the period incurred. However, the financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

**Tangible Capital Assets**

Tangible capital assets are recorded at cost. Amortization is provided on a straight-line basis over the assets' estimated useful lives as follows:

Canada		
Building	30	years straight-line basis
Building improvements	5	years straight-line basis
Computer equipment	3	years straight-line basis
Furniture and equipment	5	years straight-line basis
Vehicle	3	years straight-line basis
International		
Building	5%	declining balance basis
Electrical equipment	15%	declining balance basis
Computer equipment	33%	declining balance basis
Furniture and equipment	25%	declining balance basis
Vehicle	25%	declining balance basis

**Revenue Recognition**

The organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Endowment contributions are recognized as direct increases in net assets. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Unrestricted investment income is recognized as revenue when earned. Investment income earned on endowments is unrestricted. Fair value changes for investments are recorded as investment income or loss and recognized as revenue or expense in the statement of operations.
