

Hello!

Welcome to our very first HCI Newsletter! We're very excited to bring you a content-filled update on what we're up to, all around the world. As you may or may not know, we have several dozens of ongoing projects at any given time - whether it's water wells in Kenya, or child sponsorship programs in Pakistan. And our multiple emergency relief missions in places like Yemen, Syria, Gaza, Bangladesh - and that's just naming a few.

We want to be able to keep you updated on the very projects you donate to - we feel it is important for you to see where your funds are truly going, and the people they are helping.

We'd love your feedback, please let us know if there is anything specific you'd like to hear from us about.

Yours truly,

Mahmuda Khan
Executive Director

"It has been an honour for me to help HCI because they have been helping others for years now. Simple fact is that it is a noble cause. It is a beautiful organization. I love them because they wipe the tears off a lot of eyes and put a lot of smiles on many faces.

So may Allah reward them and support them in which way He can."
